The Valspar Corporation is one of the largest global coatings manufacturers in the world, providing paint and coatings to a wide variety of customers.

Since 1806, Valspar has been dedicated to bringing customers the latest innovations, finest quality and the best customer service in the coatings industry.

Our head office is located in Minneapolis in the United States. We have over 80 production sites in 25 countries and over 10,000 employees. Valspar is in a truly unique position to supply customers with the coating solution they require. Valspar services a wide variety of market segments including packaging, coil coating, architectural, wood, general industrial and automotive. Whether it's the vibrant red can of soft drink, sturdy reliable green tractors or strong yellow mining machinery - you can be sure that "If it matters, we're on it".
